## CSS Technology License – Process A

### 3. CSS License Category Selection

[Note: [Annual Administration Fee of USD \\$15,500\\*](#) per category of license selected [per year](#) (except the "Assembler" and "Reseller" Associate categories, each of which cost USD \$5,200\* [per year](#))

3.1. Proposed use(s) of CSS information:

#### **Membership Categories:**

- |   |                     |
|---|---------------------|
| <input type="checkbox"/> Assembler  | [Associate License] |
| <input type="checkbox"/> Reseller   | [Associate License] |
| <input type="checkbox"/> Content Provider                                 |                     |
| <input type="checkbox"/> Authoring Studio                                 |                     |
| <input type="checkbox"/> DVD Disc Replicator                              |                     |
| <input type="checkbox"/> CSS Disc Formatter Manufacturer                  |                     |
| <input type="checkbox"/> DVD Player Manufacturer                          |                     |
| <input type="checkbox"/> DVD Drive Manufacturer                           |                     |
| <input type="checkbox"/> CSS Decryption Module Manufacturer**             |                     |
| <input type="checkbox"/> Descrambler Manufacturer**                       |                     |
| <input type="checkbox"/> Authenticator Module for DVD Drive               |                     |
| <input type="checkbox"/> Authenticator Module for CSS Decryption Module** |                     |
| <input type="checkbox"/> Verification Product Manufacturer                |                     |
| <input type="checkbox"/> Integrated Products Manufacturer                 |                     |

[Note: [§ 3.2 is not applicable to "Assembler" and/or "Reseller" categories](#) – Applicants in these categories also are not entitled to receive the "General Description of The DVD Content Scramble System".]

3.2. Your Serial No(s). of "DVD specifications for Read-Only Disc (Version 1.0 or later):

**Serial No.(s):** \_\_\_\_\_ , \_\_\_\_\_ , \_\_\_\_\_  
*[e.g. Six digit serial number starts with "10\_ \_ \_ \_" or "20\_ \_ \_ \_" ]*

[Note: CSS technologies are constructed over DVD technology and DVD CCA will disclose some of them in our CSS technical specifications. Accordingly, it is a requisite condition to confirm that your company is an official Book contractor with Toshiba. Your DVD Book Serial number is a very important part of the CSS License application. If you have the serial number(s), please write it in the area designated above. For any DVD Format Book related questions or information on the process of obtaining a DVD Book, please contact the DVD Format/Logo Licensing Corporation (DVD FLLC). [www.dvdfllc.co.jp](http://www.dvdfllc.co.jp). (Question 3.2 is not applicable to the following license categories: "Assembler", "Reseller", "Content Provider", and "Integrated Products Manufacturer").

[Note: Our receipt of this Inquiry Sheet shall not be deemed to grant a license to your company]
