## CSS Technology License – **Application Process Flow Chart (Process B)**

If your company wants to manufacture and sell DVD related products using CSS technology, a CSS License is required for manufacture and sale of such products.

📌 **IMPORTANT:** Please remember to have your Agreements signed by an individual, such as a corporate officer, with the authority to legally bind your company to the terms of the CSS License Agreement. DVD CCA cannot accept license agreements if they are not signed by an appropriate individual.

DVD CCA will collect an Annual Administration Fee for each category of license selected. Each CSS License category carries an Annual Administration Fee of USD \$15,500\*. Please be aware that the CSS license is **royalty-free** (tax treaty withholding is not applicable). The membership fees are used to offset the costs associated with DVD CCA's administration of CSS licensing activity. (\*subject to review and revision)

If wiring funds, please pay your bank wire fees (and that of the "intermediary" bank - usually about \$20). Any charges against the invoice amount will require subsequent payment to cover the charges. To avoid the intermediary bank fees, payment can be made by bank draft.

**Note:** Confidential Information is initially issued to Licensee Contact Person. Please refer to Section 5.2(b) of the CSS License regarding the requirement of CSS Licensee to maintain Highly Confidential Information with the appropriate level of security.

## CSS Technology License – **Application Process Flow Chart** (Process B)

**Exhibit B** is reproducible and needs to be completed by EACH technical "hands on" person (e.g. engineer) to be designated to for handle CSS Highly Confidential Information. Make appropriate number of copies as needed for completion and signature. For any new individual that your company wishes to add as an "Authorized Employee", the Contact Person would need to submit an actual signed original Exhibit B for each new Authorized Employee. Conversely, for removal of Authorized Employee status for a particular individual, the Contact Person need simply inform DVD CCA of the name of each individual who should be removed as an Authorized Employee.

Please fill out the attached form and return it to us. We appreciate your efforts to provide complete and accurate information. We look forward to servicing your CSS needs.

Best regards,  
DVD CCA

[Note: Our receipt of an Inquiry Sheet shall not be deemed to grant a license to your company]
